

最近実施した研修について

JTEC は今般、当財団がインドネシアで実施しております「インドネシア沿岸無線整備事業(第4期)」「Maritime Telecommunications System Improvement Project (IV)」におけるコンサルティング業務の一環として、同国運輸省海運総局から研修員 10 名を招き、2010 年 11 月 15 日から 12 月 3 日にかけて「沿岸無線システム管理者研修」「Maritime Telecommunications System Management Training」を行いました(3 週間)。

同研修において、研修員は JTEC、海上保安庁本庁、第 3 および第 8 管区海上保安本部および関連施設、海上保安学校、本プロジェクトに係わる機器製造事業者の工場などでの講義、発表、討論、見学を通じ、沿岸通信管理、海上交通管制・海上救難に関連する沿岸通信の理論と実際を学ぶとともに、日本側の沿岸通信管理者や技術者との交流を深めました。また舞鶴の第 8 管区海上保安本部での研修は、地元新聞の取材を受け、紙面を飾りました。さらに今般の研修では、京都、奈良の世界遺産など歴史的な名所を訪れるなど、日本の文化の一端にも触れました。

同研修のカリキュラム・スケジュールの詳細は以下のとおりです。
